Welcome to the New Year

From all the members at Goolwa SLSC we wish you a great and safe 2020.

We have had a great start to the year with strong attendance at Goolwa Beach, the opening of the new Kuti Shack and with great patronage at the Goolwa SLSC upstairs bar. We encourage you to enjoy our great beach, always remember to swim between the flags and to practice beach safety and awareness.

Goolwa SLSC Members Night

Thursday nights are now Members Night. Come down to the club for a beverage and a social chat with other members. This is a great way to meet other people involved in our club. The club is open Thursday evenings from 6pm onwards. (Check updates on the Goolwa Members FB page)

Goolwa SLSC Members Card

Steady progress has been made since our last update regarding the Goolwa SLSC Members Card. The cards are well into the programming stage and we will have a release date as of our next update in February. The Goolwa SLSC Members Card is your individual membership card that will offer you discounts at the Goolwa SLSC bar (the Surf Club) as well as other businesses in the community.

A friendly reminder that no bar discounts (discounts on purchases) are currently available at the Surf Club until the official Goolwa SLSC Members Cards are launched (TBA).

Goolwa SLSC Member Privileges

Goolwa SLSC Memberships have many components designed to offer:

- Member insurance.
- Member registration to Surf Life Saving South Australia.
- Various accredited training
- Cover of administrative and functional expenses of the club (building insurance, cost of utilities (water, sewage, electricity and gas), commercial cleaning, council and state

✉ <https://www.facebook.com/GoolwaSLSC/>

government fees, legal representation and administration, security monitoring, liquor licencing costs and depreciation of assets.

- Purchases of new equipment and maintenance of existing equipment.
- Purchases of stock to generate an income (beverages, food items and club merchandise).

As indicated by the list above there are many expenses that the club must cover to remain operational as well as to meet business and legal obligations. Your membership helps cover some of the many expenses.

Soon all Goolwa SLSC members will be receiving a list of businesses that will be offering further benefits to members. This may include discount rates for purchases or services. We also encourage members to support all our sponsors who support the club.

*After consideration and through consultation with the host club, the Surf Sports Advisory Committee has endorsed the cancellation of the **Carnival 3** event due to the likely inability to meet the resource needs of the event (officials, water cover, IRB water safety, host club work party) based on the reduced number of Clubs participating.*

Junior Carnival #4 is scheduled for Sun 16 February at Normanville. -Nippers/Junior Activities Surf Life Saving South Australia

Building Management Update

It is time for an update on the Clubhouse. Let us take you behind the scenes with the Building Management Committee (BMC) and the Board of Management (BOM).

Building Volunteers

The Summer holidays are in full swing and there is a noticeable increase of people visiting the beach and the club.

We need new and existing members to help whenever possible. We can assist you to obtain the appropriate qualifications and training to play an important volunteering role at the club.

All Goolwa SLSC members who are interested in becoming a club house volunteer contact Karyn: karynstaite92@gmail.com

👏👏👏 Opportunities include working on the bar, in the kitchen, cleaning and general fundraising.

Booking Functions and Events

Currently Goolwa SLSC Building Management Committee (BMC) has put restrictions on booking of all events and functions at the club. This is so we can better support the Surf Life Saving Operations component of the club. This will be reviewed towards the end of the patrol season by the BMC.
