

Hi all,

## PROFICIENCIES

There are 2 dates for proficiencies which are kindly being held at Horseshoe Bay by Lucinda from Pt Elliot SLSC

21st November and 13th of December at 1pm

ARTC and IRB Proficiencies will also be in December.

## ONLINE SKILLS MAINTENANCE

Online skills maintenance **MUST** be completed before attending a practical proficiency. If you don't, you hold everyone else up from being ticked off and may result in you not being proficient for this season.

If you are not confident in the online skills maintenance David is going to hold a walk through/support session at the club.

These will be held on the 18th and 25th of November at 6:00pm.

If you can't make these and still need help, speak with your patrol captain, they can help you complete it while on patrol.

Please call your patrol captain as first point of call if you are having trouble and if they can't help get in touch with Brady or myself.

Thanks,

Tyla
