JUNIOR (NIPPERS) MEETING

A meeting is being held at the club at **10am on Sunday 12 September 2021** to plan the Nippers program, which will start at the end of October. This is for **all members** interested in helping out in the nippers program as Age Managers, Administration, Water Cover, etc. Georgia has been working hard getting the team together so please contact her on 0455 022 460 or nippers@goolwaslsc.com.au for more information.

SOCIAL HUB VOLUNTEERS

Running the surfclub is expensive. Without our fantastic group of bar volunteers who dedicate their hours all year round, the club's financial position would be a lot different.

The BOM would like to recognise and acknowledge your contributions and thank you for your dedication.

We wish to develop this area into a social hub for the club. To do this we need **both** your ideas and your talent to bring it to life and make it happen. No swimming or running required.

Come and join this vital team to support our life saving and education programs. Without members to help with this essential fundraising avenue, it is like having all the rescue equipment on the beach with no patrol. Without you, it just doesn't happen.

We all need great memories, tall stories and legendary social events. So become a legend, get in touch with Doug to join his team.

2021 – 2022 Season Start

Our patrolling season starts in 5 weeks on **Saturday 9th October** and concludes on Monday 18th April (inclusive) which is 63 days in total.

To assist with planning our patrol roster, if you haven't already done so please respond to the patrol planning survey at

or email clubcaptain@goolwa.slsc.com.au

We acknowledge the traditional custodians of our beautiful lands and surrounding waters, the Ramindjeri and Ngarrindjeri people. As a community we recognise and respect their cultural connection with the land and waters

Every member, including our social members needs to create an account. This is how our club manages your membership. It is where all our national policies and procedures are stored (document library) with your training and patrol records.

Once you have created your account, all payments (transactions) are recorded on 'Surf Guard' the (national administration system) and a receipt is instantly emailed to you.

How to create an account

The below link provides instructions on how to create an account, as well as creating family groups.

Remember to select Goolwa as your club.

How to join a new member

If you wish to add someone new, you must add each individual through 'join slsa'. Once every person is created, then you create a family group through your Members Portal.

Remember to select Goolwa as your club.

For step by step instructions on how to join as a new member, renewing your membership, creating a family group, how to pay, just click or copy and paste the below URL.

LAST RESORT for help

As a last resort, please email info@goolwaslsc.com.au for help and a club member will contact you to assist.

Sports Vouchers

The club accepts sports vouchers for primary school children which are \$100 for each child. Download the voucher link below.

https://www.sportsvouchers.sa.gov.au/_data/assets/pdf_file/0016/30742/2021Voucher.pdf

Please ensure you have not claimed the sports voucher for any other sports this calendar year.

Last season we had a 40% rejection rate. Sport and Recreation do check the voucher submission to ensure no double dipping occurs.

If you are **100%** that you have not used your vouchers, then deduct the amount from your fees. **Please ensure** that you scan and email your vouchers to treasurer@goolwaslsc.com.au at the **same time** you pay your fees.

If you are unsure, then pay the full amount and submit your voucher. The club will refund your balance if your sports voucher is not rejected.
