## WELCOME TO SEASON 2021 -2022

I am very honoured to send out my first correspondence to members as the newly elected President of our club and welcome you all back to Season 2021/22.

Since the AGM, your new Board of Management (BOM) has been working extremely hard in the background. Over the last few days during this transition, I have been blown away by our members dedication to ensure that we all will have a very fun, successful season.

Your club will have a full BOM this season.

**Leah Breen** gained her Bronze last season and is our new **Club Secretary**. Leah brings a wealth of business knowledge & experience to the team. This year we hope to see her gain her IRB Crew.

The former SLSSA Member Education Officer, **Kate Southern** will also be joining the BOM as our **Training & Education Manager**. Kate is a Cert IV Training & Assessor, Drone Pilot, IRB Driver, a Surf Guard wizard and has mentored many a Chief Instructor.

Kate is keen to race IRB's. Looking into my crystal ball for 2022, I see Goolwa's first Female Masters Team. But is that 2 crews? RC, LB, and BC - Is this your 2022?

Our new **Business (Venue) Manager** is **Doug Chandler**. His years of experience in hospitality & management will provide guidance as we develop this area. He won't be racing IRB's, but he will be leading the Venue / Bar Team who support our Life Saving Services on the beach.

We also have received two Expressions of Interest from talented members to fill the vacant position of Youth Development Manager. Both are very committed to our Youth and Junior program.

The BOM will be working towards completing a draft Business Plan, which will be released in stages over the next few weeks.

Our members are the lifeblood of this club and the focus will be in those areas, where we can really support all our members.
